

Middle School Newsletter
April 11, 2008

UPCOMING EVENTS:

- April 14 – 4:30 to 6:00 Middle School Parents Meeting in the Vocational Building
- April 16th – 6:30 to 8:30 - Incoming 5th grade Parent Orientation Meeting in Vocational Building – Paul Baldrige Room
- April 18th - Half Day of School - Dismissal at 12:30

Middle School Parent Meeting:

Ideas will be shared about the 2008-2009 school year. One parent will share her information regarding the long bus rides our students endure. Please bring fundraising ideas to the meeting. Any other information is welcome. The meeting will be in the Paul Baldrige room in the Vocational Building. The Voc. Bldg. is located behind the Middle School.

Go Green Day !

On Earth Day, April 22, the Middle School will "GO GREEN." Please encourage your child to wear green. We will discuss ways to save resources from the Earth.

ASSESSMENT NEWS:

The Middle School students will be taking the NWEA test during the week of April 29 – May 9. The results from the SAT-10 have been mailed home. Please look for them in your mailbox.

FLIP-FLOPS:

I know the students have questioned why they can not wear flip-flops. Last fall, there were a lot of toes being stepped on, stubbed; one was slammed in a door, etc... Flip-flops break easily and you will be stuck without a shoe. Crocs and closed-toe sandals with a strap are fine.

Hope to see you at the Parents Meeting on Monday. Have a great weekend!
Marie
